

INFO

Men`s Kitchen GRANDE.

High quality hand tools and more since 1900.

Be a MATADOR.

Men's Kitchen[®]

by MATADOR.

A new world of tools by MATADOR.
Uncompromisingly good.

With standardized drawer dimensions - fit for all MATADOR MTS modules.

Select from more than 100 modules to find your perfect compilation.

Pre-configured or individually selected.

The smart modular system.

Fits in every room.

Brings order to your work environment.

It is not only the single tool that counts: In a complex and increasingly digitally driven world it is getting even more important to have a place where you can be creative and where you can have the good experience to make something by hand.

Freely expandable.

Comfortable working height.

For tool enthusiasts this place is the new **Men`s Kitchen®** by MATADOR. **Men`s Kitchen®** is not only a storage solution, it is a place where you will be inspired to create new things and where you will be highly motivated to „get the job done“.

No drilling, no wall assembly.

High loading capacity.

Men`s Kitchen®
by MATADOR. 

Our **pre-configured kitchen blocks** in different sizes fit into all rooms, from the broom closet up to the assembly hall. Thanks to its modular system the **Men`s Kitchen®** is freely expandable and grows with your individual requirements.

Absolutely easy going.

Fully pre-assembled.

The standardized drawer dimensions allow to include the professional MATADOR module system MTS into the **Men`s Kitchen®** configuration so that all single tools will be in a perfect order.

Solid metal construction.

Durable powder coating.

With closets for power tools, storage boxes for all your individual small parts and our extensive program of accessories you can easily design your own world of tools, your own **Men`s Kitchen®**.

Have fun!

3 star cuisine for real craftsmen. It`s served. A little different kitchen.

- ✓ Extra high drawers for power tools and tool cases.

- ✓ Self-supporting construction, no drilling and wall assembly necessary.

- ✓ Ergonomically optimal working height of 100 cm, with height adjustment screws.

- ✓ Cabinet with adjustable shelves available in 2 sizes.

Men`s Kitchen[®]

by MATADOR. 

The **Men`s Kitchen**[®] follows a clear principle: Simplicity.

Our **pre-configured kitchen blocks** allow a well thought-out and complete workshop arrangement without spending much time on planning and later on assembly.

The assembly of the **Men`s Kitchen**[®] is really easy: All cabinets are fully pre-assembled so that you do not need to screw together all the single parts. You only need to assemble the side and middle brackets.

The self-supporting construction requires no drilling or wall assembly. Your **Men`s Kitchen**[®] can easily be set up anywhere in your room. It can't be easier than that:

- Select.
- Unpack.
- Set up.

Ready.

- Cupboard with gas spring available in 2 sizes.

- Ball-bearing drawer slides, 45 kg capacity, full extension, central lock.

- Perforated panels for hooks and accessories.

- Stainless steel or wooden worktop.

Men's Kitchen  [®] **GRANDE**
