by MATADOR.

The innovative tool world of MATADOR.

Be a MATADOR.

Since 1900.
Premium hand tools for everyday heroes.

MATADOR is one of the **pioneers in the tool industry.**

Since 1900 we have been producing **quality hand tools** „around the screw“ in Remscheid, the German capital of the tools industry.

Our core competences are spanners, sockets, torque and pneumatic tools as well as modules for workshops.

For all kind of screws from 3.2 to 230 mm. 4,500 catalogue articles.

Tried and tested a million times.

Available in >70 countries. For ambitious users in industry, trade and the automotive industry. MATADOR is an **accredited supplier of all major OEMs** like Audi, Bosch, Ford, MAN, Mercedes-Benz, Volkswagen, Volvo, etc.

MATADOR is **the opposite of mainstream.** We stand for upmarket premium tools. Reliable, design-focused, efficient. Intelligent tightening tools made for decision makers, fighters and **everyday heroes.** For real MATADORS.

For people who know and express what they want. People **who are inside the arena**, not in the stands. Who know **the difference between tools and toys.** Who do not seek excuses and are true to themselves. Past and present. For down-to-earth, straightforward and assertive individuals with life experience and stories to tell. Who overcome adversity, manage a healthy work-life balance and **believe in themselves.** Who appreciate the exceptional and own pretty things. Who do not hesitate to show that. For people who have fun and enjoy life.

Welcome to the arena.
